OUR SEMINAR ROOMS

Are you looking for a suitable location for your workshop or seminar? Then Hotel Schani Wien is the right place for you! The three event spaces in our smart hotel at Vienna Central Station can be adapted individually to your needs. The bright rooms, modern design and the finest technical equipment turn our seminar rooms into places with a feel-good character.

Schani's Ground Floor

Schani's Ground Floor is at its best at any time of day. The seminar room on the ground floor is perfect for seminars and workshops for up to 70 people thanks to its professional equipment and customised seating options. Direct access to the garden and the gallery, which is ideal for break-out sessions, make the room a real all-rounder.

Schani's Rooftop I & II

Schani's Rooftop offers a stunning view, a great atmosphere and enough space for up to 99 people. On the sixth floor, two meeting and event rooms can be combined into one large space. Both rooms create a comfortable atmosphere with natural, high-quality materials and are equipped with all the necessary technical requirements. The highlight of this event space is the rooftop terrace overlooking the neighbourhood.

Schani's Boardroom

Do you need a small meeting room for up to six people? Then Schani's Boardroom in our coworking space is just right for you. Thanks to high-quality technical equipment the soundproof room offers the ideal space for your spontaneous meetings, workshops or video conferences.

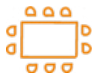

Because every seminar needs its own setting, we create an individual offer that is perfectly tailored to your wishes and requirements. In addition to providing the room, we are happy to take care of the catering and other technical equipment you may need.
